

Miss Ask it Asks

With the dust wiped off the books and with the routine of getting up in the morning well in hand, we start another semester of well known school work. Ehthusiasm and drive is written all over the beaming faces of the students. Terrific sports spirit is right along with us (judging from the line-up for football tickets). Starting out with such a bang, the question arose,

"How did the first few days of school go for YOU?"

Rita Klosinski: It's an awful big change from South Bend Catholic. I guess I'll like it better when dances start so I can get acquainted.

Loretta Zielinski: I didn't like it at first. I miss the kids from South Bend Catholic.

Donny Vargo: Pretty rugged.... I'm not used to getting up early in the morning.

Pat Van Paris: Super! Simply perfect.

Elmer Van de Walle: Slow... Nothing to do in the classes yet.

Phillis Dhaene: Terrible! I wish vacation would have lasted longer.

Lorraine Gotowka: Tough! Too hot weather and too much homework.

Pete Smith: Everybody seems friendlier. But, it's still an awful job getting up in the morning.

Casimer Crizan: No Good!

Stan Rykowski: I don't like it. The kids are friendly, but I just don't like school.

Pat Bartkowiak: Fine! It sure gets tiresome though.

Dorothy Rogowski: Swell, except for the homework. I couldn't wait to see the first football game.

Bobby Cichocki: I had a hard time getting around.

Ronny Gadacz: It's a lot of fun being a Junior.

John Mersich: What I like is no double football practice.

Good Luck!

On Friday, October 10, both schools will parade to Walker Field, Washington going down Sample Street to Walnut Street and Riley going down Ewing Avenue. Announcing—

"Bernadette" Next Senior Play

On Thursday, September 11, Miss Fortin announced that **The Song of Bernadette** would be the senior play of the class of 1948. The play is a dramatization by Jean and Walter Kerr of the famous novel by Franz Werfel. It is familiar to millions through the movie version in which Jennifer Jones was starred.

The play is in three acts and ten scenes and has a cast of seventeen girls and seven boys.

Try-outs for parts in the cast will be held Thursday, September 18.

Only once previously has a Washington senior class attempted a serious play. That was in 1939-1940 when the seniors presented "Death Takes a Holiday". It was highly successful.

The activities at Walker Field will include a joint pep session, speakers, music by the bands, and the crowning of the queens. The principal speakers will be the principals of the two high schools, the coaches, a representative from the Tribune, Mr. Allen, Supt. of schools, and Ernie Zalejski.

On Saturday night between halves of the game the queens and their courts, accompanied by their escorts will go to the center of School Field followed by their bands, and will exchange bouquets of red roses tied to their respective school colors.

The Senior class in each school will nominate seven senior girls as candidates for queen. All students will vote in an election to select their queen. The other six girls will form the queen's court. The names of the candidates will be published in the Hatchet on Oct. 2.

The Student Council has appointed these members of the faculty and chairmen of the various committees: for program and speakers, public address system, and car for queen, Mr. Schoepel; for election of queen and senior float, Miss Halnon; junior float, Miss Miller; publicity and sophomore float, Miss Murphy; Cheerleaders, Miss Fortin; general moving of parade, Mr. Byers; crown and posters, Miss Kuhn; band, Mr. Myers; general chairman of floats and bonfire, Mr. Robinson.

Attention, High School Students!

In a few days the freshmen, sophomore, junior, and senior classes will meet to select officers for this year. The success of a class largely depends upon the kind of officers it has.

The Hatchet submits herewith a list of the essential qualifications which all candidates must meet.

A Candidate must

1. Be dependable, punctual, loyal, cooperative, and willing and able to devote time to his job as officer;
2. Be a good example to his class;
3. Be courteous and friendly;
4. Be able to take criticism;
5. Be able to plan activities;

6. Be able to meet difficult situations;
7. Be able to exert leadership and to control groups in meeting;
8. Be a good speaker before groups;
9. Have a sense of fair play;
10. Have a senior-high scholarship average of C or better and character-trait average of M or better.

The senior president and vice-president particularly must be able to appear before groups, since they must speak on the class-day and commencement programs.

Before you make a nomination or before you accept a nomination, think these over!

Why Didn't They?

Many of the students wanted the band to play for the first football game. Could it be that you don't understand what must be done before a band can put on a good performance? Let me tell you a few facts.

Uniforms must be issued to sixty-two students; twenty or twenty-five new students must be taught how to march; the music must be learned; the entire band must learn a formation.

Knowing that no one wanted to see an inferior performance, the band played in the stands. Mr. Meyer has made much progress with it so far. Let's give him and them a good cheer at the next game.

My Two Cents Worth

The first semester I came to Washington, the magazine rack in the library was full of the latest editions. I was pleased to find them and I'm sure other students, as well as teachers, appreciated them as much as I did.

But, as always, there were a few who took pleasure in putting mustaches on the pictures and comments, as well as ripping out a few pages for spit balls. Our very nice librarian, Miss Fortin, was patient, asking over and over that such petty vandalism be stopped. Her request was ignored and then she took sterner measures with the best of results. She stopped subscribing for the magazines.

I've been told that our library will once again have magazines this year and Miss Fortin (as well as I and all who appreciate magazines) sincerely ask you to please find another hobby than drawing mustaches!

SCHOOL DATES

Hi! Just in case you think school life is uneventful, I will give you a few dates which I am sure you would like to put down in your little black book (not the book with addresses).

A Silent Reading Test, which I am sure you do not want to hear about, will be on the 30th in the Cafeteria. The 9B's and 9A's will be glad to hear that their party will be held on October the third in the Gym.

The Seniors now are in for it. The Thurstone Test for 12B's will take place on October 7th. Here's some good news. The 23rd and 24th of October is set aside for the meeting of the North Central and State Teachers' Association. They are, thank heaven, school holidays! By this time we will probably need them, for on the 10th poor-work slips will have been passed out. The 7th and 8th grade party will be held on the 30th of October. The next blessed event is the Senior play, held on the 12th (Matinee), 13th and 14th of November. Now the 11B's and 11A's have their fun in the Gym, with a class dance on the 21st of November.

The time for the Thanksgiving Vacation, bringing with it a basketball game with Madison Township rolls around on November 27th and 28th.

The Senior Prom at last! This time the joint Senior Prom will be held at the Indiana Club on the 6th of December from 9 to 12 P.M. With the Christmas assembly held on the 19th of December, we begin our long awaited Christmas Vacation. This will last until the second of January. During the vacation, a Holiday Basketball tournament will take place at East Chicago on the 26th and 27th of December.

A Music Dance will be held on the 9th of January from 8:30 to

11:30 P.M. in the gym. Wonderful January 23rd comes next, marking the end of the first semester. February 12th is a bang-up day, for the 7B and 7A and 8B-8A party will be held in the gym. Everyone kind of avoids Friday the 13th because of bad luck. But to the 10A's and 11B's it will only be good luck, for their dance will be held on that date.

During all this time basketball games will have been going on but now is the climax. The 27th of January is the start of the Sectional Basketball Tourney. For the next date we must dim the lights, because it's opera time, March 17, 18 and 19th.

Now this date gives us pleasure and also gives the members of the band a work out. The All City Band Festival will be held on March the 23rd. Here we are at the Golden Gates of Spring vacation. It starts on the 29th of March, ending on the 2nd of April. As we come back to school we begin working; we have to, for school is almost over and for many of us it will be our last chance to scrape together the number of credits it takes to graduate. To cool our nerves, which are now a bit jumpy from too much cramming, Mr. Myer presents to us a Band Concert on April 23rd. Another nerve smoother is the Spring Musical on the 7th of May.

Now comes the Junior Dance on the 14th of May with all its joys and tribulations.

Finally the Senior Prom May 21. This is their last, for in a very short time they will say farewell to them. The 27th and 28th are days of headaches, for the Senior A's take their final examinations with crossed fingers and hopeful hearts. The underclassmen soon feel the same way, for on

THAT The season is underway and all eyes are on the Panther team, lead by Co-Captains Phil Kulczak and Ed Bucholtz.

THAT Bill DePaepe is vastly improved over last year and is one of our best pass receivers. Keep working, Bill.

THAT Marvin Matuszak is rapidly improving and may oust Alex Burkus from his job, if Alex doesn't work harder.

THAT Norbert Rzepnicki has returned to football after a year of rest and will add strength to the reserve quarterback position.

THAT Bird-dog Hammond is still bird-dogging on his plays—Shire also forgets!

THAT Jeff Rush likes to miss practice so he can block with Ed Bucholtz.

THAT Our eyes are on the Jr. High team this fall, just to see how many can stick it out. Some have found it too much work already.

THAT Alex Pyclik could be right in there if he didn't always loaf on sprints. We better call him Laps Pyclik.

THAT Ted Piechocki is the fastest man of the football team, Eugene Goralski the slowest. Don Wachowiak, Bill DePaepe, and Roger Declerq the fastest linemen.

THAT David Steenbeke is fastest boy in Junior High but he needs the determination to want to play.

THAT We want hard clean victories with displays of fine sportsmanship on the part of both players and students.

New System

Hatchet Staff Reorganized

At the last Hatchet Staff meeting on September 9, Miss Murphy, the HATCHET adviser, notified the staff of their new organization. She also expressed her hopes of improving the paper by the system to be used.

Emily Schultz, co-editor last year, has been made editor-in-chief. Nancy Lee Scheu will be in charge of the society and gossip page; Macy Lee Wilkins, is the feature editor; John Petrou, the advertising manager; and John Lawecki, the sports editor.

This group will act as a board of managers. It will call meetings, give assignments, and be responsible for the general make-up of the paper. It is up to the group to plan each issue and have the copy ready for publication.

The circulation department has been put in charge of Shirley Houk, with three new sophomore assistants: Marie Schultz, Barbara Hamilton, and Rosemary Wroblewski.

John Lawecki, sports editor, has been thinking of improving the sports page for quite a while, so look forward to a better one in the near future. Robert Pawlowski and Norbert Rzepnicki will also work on sports.

The following other students attended the meeting and signed up as reporters for the year: Phyllis Dhaene, Dorothy DeMeyer, Dorothy Rogowski, Leona Kush, Macy Lee Wilkins, Rose Mary Szabo, Pat VanParis, Johanna Weiss, Dolores Van Wynesberghe, Darlene Schoen, Janine Banicki, Wanda Swizek, Renetta Kurpiewski, and Frances Boyer.

Dolores Van Wynsberghe, '48, 201, has been accepted as a member of the second violin section of the So. Bend Symphony Orchestra. For several years she has been a member of the first violin section of the South Bend Junior Symphony.

The South Bend Symphony, which is under the direction of Mr. Edwin Hames, will play a series of concerts on Sunday evenings during the winter months. Alec Templeton, celebrated pianist, will be soloist with the orchestra at the first concert.

As a result of her acceptance by the senior orchestra, Dolores has decided to seek some violin pupils. She hopes to secure a number of young students to teach in her home.

Beautiful But Dumb

It was one of those hot sultry days that are a part of every summer. Pamela and Rene were lying in the yard taking in their share of the ultra-violet rays. At the present their lives seemed very boring and it was only natural to reminisce of the sports and life at school.

"Just think, Pam" said Rene, "about three more weeks and school begins. I'm so excited I can hardly wait."

"Well" answered Pam, "as for me, I'm not losing any sleep over it. The thought of all that homework gives me the 'willys'. No more week-day dates, no time to swim and no loafing around in the sun. Fooey! Give me the good old summer vacations any time."

"Yea!" was Rene's answer, "But think of all the good times we have during the school term, Tuesday night dances, Friday Noon Mixers, Football, Basketball, Track, and Baseball. Boy, I can hardly wait until the first inning of the Washington football game."

"It isn't the football game that has innings, is it? I thought it was either baseball or basketball. I really don't know for sure. Personally, I like Tennis; it's more romantic."

"Those poor, poor fellows! In the first game they aren't even used to being tossed around. It must take just gobs of courage to be able to play," added Pam as she changed her position nigh onto the tenth time in the past five minutes.

"Sure, football is rough but it hasn't any thing on basketball. Do you suppose those fellows play that hard just because they are trying to impress some body?" Rene said with a little trace of hope included.

"Gee, wouldn't it be wonderful if Icky would catch a fly and make a basket, just for me. I'd treasure those seven points dearly the rest of my life."

"I even think basketball has its advantages over football. Just think, you get a gander at their manly physiques! Oooh! those suppling muscles.

"I love to watch all the sports for that reason, even baseball. When the batter comes to plate, and swings and makes a touch down."

The girls were silent for a short time in a dreamy daze of the past, future and present, but even this was interrupted when there came a streak of lightening and a clash of thunder. There was a mad dash for blankets, pop bottles, magazines etc., and the two dear friends hurried home where they could continue their dreaming.

Hidden - Talents???

If it's Clubs you are looking for, kids, you've come to the right place. If I might coin a phrase, Washington has everything from soup to nuts to offer you in different clubs.

Miss Fortin has to offer you four different clubs for four different talents. First there is the Panda Club but this is for senior girls only. Then there is the Cheerleaders, the people who try so-o-o hard to get a yell out of somebody at a football game and basketball game and incidently they succeed. It's a wonderful club for active and lively kids. Boys as well as girls eligible. Dramatics—Oh yes, every Romeo and Juliet are wanted for this club. When joining this club, you enjoy yourself as well as help others find enjoyment. Miss Schuell also sponsors the Dramatics Club. Last, but not least on Miss Fortin's list is the Tuesday Recreation. Every Lad and Lass can come, for it takes no talent to dance. Dances are from 7 to 9. You still have time to do your home work, no excuse to give our teachers now! For further information see Miss Fortin.

Mr. Herringer has a variety of clubs to offer you. There is the Hi-Y club for boys only—sorry girls, but we really are not left out, for we have the Ushers' Club to keep us busy. Mr. Herringer also has the wonderful Latin Club for those you are interested in Latin. Last is the Book Club, our newest club. Anyone can join. Mr. Herringer will be happy to assist you in any way.

Mr. Stilson has to offer, for boys only, the Engineers' Club. For further information, see Mr. Stilson.

Last but not least is the G.A.A. sponsored by Miss Wolfe. This club is for girls who are interested in sports. Miss Wolfe will be glad to help you get adjusted in any sport Washington has to offer you.

Now that I have given a birds-eye view of our clubs, I certainly hope you will find your hidden talent and introduce it to Washington. —DOT

CORRESPONDENCE

Dear Jack, Jack, Jack.

After graduation day at the house of blue lights in Tallahassee, I saw the girl of my dreams, Ivy, but I was with Cecelia so I could just dream, dream, dream. I told Cecelia that it's just one of those things and that some times I'm so lonesome I could cry but the echo said no. She said "tonight is just a memory, but if you go on, it will be the talk of the town." I said "that's good enough for me," and cancelled our apple blossom wedding.

The class of '48 is the first class at Washington which has ever been privileged to wear their rings so early in the senior year. These rings were ordered during their Junior A year.

Turn Table Tunes

Hi Kids, here's the latest news on the platters to include in your collection to make those get together a little more fun.

Phil Harris and his arrangement of the **Preacher and the Bear** is really good.

The **Echo Said No** by Stan Kenton is on it's way up and is sure to make a hit.

The ever loving Perry Como has a number of **Ace No One** hits: **When you were sweet-sixteen, Almost like being in love, I wish I didn't love you so, and Chi Baa Baa.**

Betty Hutton in her own style and manner sings **Rumble, Rumble, Rumble** and **The Sewing Machine.**

For the home sick children Alvin Rey plays **Mama Blues.** It really shows brilliant playing.

Last but not least is Vic Damone's arrangement of **Ivy.** He is a new singer but sure has a lot on

the ball.

So long gang, see you again with some more hits on the hit parade.

Looking Ahead . . .

Panthers Facing Bears, Cavemen

Well, that traditional game between Central and Washington is near at hand again. Once again Central will be gunning to defeat Washington, something which they have never done. Once again it looks as if they'll fail. Central's best chance was last year and the game ended in a tie.

This year brings onto the field a Central team with only two of its last year's eleven. These are Redding, a speedy halfback, and Hagerty, a big tackle. At the ends, Central will probably have two youthful giants in the form of Davis and Shine. However, both lack experience.

The following week, the Panthers do not encounter such size but they do meet a lot of experienced men in the Mishawaka team. Mishawaka boasts ten lettermen from last year. Of these ten, three are first string backfield men. Phil Potts should once more operate at left half, Squadron will again fill in at full, while Phillitoff will play quarterback.

Mishawaka's line has plenty of experience. Six of the seven men are returning lettermen, while a number are first stringers.

Unless some unforeseen accident occurs, Washington should field against its opponents a well-seasoned squad. The squad has been bolstered by the return of Norb Rzepnicki. Norb played in his sophomore year, but was unable to play last year, owing to a heart ailment. This year his heart has mended sufficiently to permit his playing.

The tackles in the persons of Polonka and Manuszak look like a couple of 60-minute men; Co-Captain Bucholtz certainly has proved himself in last year's games; and Pat Klaybor will hold up his end. Don Wachowiak's 180 pounds will come in handy at center. The back field certainly has plenty of speed. Paced by Ted Piechocki, who was a

PANTHERS TAKE CENTRAL CATHOLIC 38-0

The first of nine, or perhaps ten, opponents for the 1947 football season is down and out. Ft. Wayne Central Catholic fell before the machine-like Panthers on Friday, September 12, 38-0. Showing that they meant business, the team took the ball over the first time they laid their hands on it. The first marker was made by Ted Piechocki, a converted quarterback playing at right half. Ted was a constant threat with his speed.

Then with Ted, Bob Robertson, and Pewee Ewald alternating at handling the ball, the team rolled on for four more touchdowns, Bob Robertson each time scoring.

In the last quarter the second string, which had been in and out of the game so many times that the announcer almost refused to announce the changes, spearheaded by Piechocki, took the ball over the last time.

The Panthers are still far from perfect regardless of the score and really have to work to remain undefeated. Special work will have to be done against passes, since the Panthers were quite vulnerable to a pass attack. Also more protection to the kicker will be needed. After all, a blocked kick in a tough game may mean the game.

CROSS COUNTRY GETTING ALL SET

The Washington cross country team opens its second season with a full conference schedule, winding up in conference and state meets. Losing eight straight meets last year, the Panther runners gained much needed experience and this year should make a creditable showing. Lead by George Bonczynski, who several times last year headed the field in

dash man on our track squad, it will have such other men as Robertson, Ewald, Pyclik, and Nagy. Co-Captain Kulczak will bark the signals.

cross country, the Panthers will have Ed Bonczynski, Ed Wasowski, Tom Stankus, Dan Popielski, Robert Cronkright, Eugene Czarniecki, Bill Haugel and Leonard Bajdek rounding out the team. Each boy is required to run two miles and they are hard at work getting into condition for the season. The schedule:

Sept. 15 No. Side of Ft. Wayne	H
Sept. 22 Riley	H
Sept. 25 LaPorte	H
Sept. 29 Adams	T
Oct. 2 Goshen	T
Oct. 6 Mishawaka	T
Oct. 9 Central	H
Oct. 13 Elkhart	T

GOLF TEAM BEGINS SEASON

This year, under the management of Mr. Holley, the Panthers are developing a golf team. Although this is only our second regular team, we have boys who have played for two or more years and are pretty good.

Due to the inexperience of our boys in pressure playing, the team lost to LaPorte recently on LaPorte's home course. The score was 11 to 1.

The squad is divided as follows: first team: Piekarski ('49), Strze-

lecki ('48), Hecklinski ('50), Ogozek ('50), Rzybinski ('50), and Trzop ('49); the substitutes: Rogers ('49), Petrou ('49), Gostola ('49), and Budney ('49).

This team was organized by Miss Fortin at the beginning of the year, but due to the fact that she had too much work with the senior play coming up she resigned as coach. Mr. Holley then took over.

The remaining schedule is:

Sept. 16 Mishawaka	There
Sept. 18 Riley	Erskine
Sept. 25 Adams	Erskine
Sept. 30 Central	Erskine
