

Miss Ask-it Asks

Since so many students from Wilson are coming to Washington, we were interested in what their thoughts were so this week's question is:

How do you feel about coming to Washington?

Marie Calvert—I think it's going to seem a little strange to go to a city school after going to a country school since I've been in the first grade.

Barbara Lukavich—I think I'm going to like it very much.

Bill Thompson—I feel well about it. I think it's swell to change schools.

Dorothy Perkins—I think I'll have a lot of fun there and I think a lot of Wilson kids will get a chance to get into the band and improve it!

Al Cashaw—I think it's going to be nice, but the football is a little rougher then we had it before.

Beverly Laisure—I think I'm going to like it and I think it will be different.

Richard Opaczewski—I think I'll like it a lot because I know a lot of the kids and I'll feel at home.

Bill Marvin—I feel like the rest of the kids. Since we have a choice, though, I'd rather come to Washington.

Carolyn Bashman—I'm pretty enthused about it and I'm anxious to get started.

Mr. Byers will be relieved of junior high track. Mr. Redling will be relieved of junior high basketball and will take over junior high track.

STUDENT COUNCIL ELECTION SCHEDULED

Members of the 1950-1951 Washington High Student Council will be selected by the junior and senior high rooms at an election to be held on September 18. One representative is to be chosen by each home room group.

Wholesome Food

Cafeteria to Open Monday

Washington's cafeteria will open Monday, to provide Washington students and faculty with a pleasant place for lunch and wholesome, inexpensive food. Food will be provided again in the form of a plate lunch or a la carte. ("You pick your own!" to those whose French is rusty!) When the HATCHET went to press, the price of the plate lunch had not been established.

Students who bring their lunches have the privilege of eating them in the cafeteria, where they may also buy milk if they choose. They may also eat in rooms 125 and 121, where milk is also sold.

Students using the cafeteria are reminded that if they wish to buy their lunches, they enter by the east door; and if they wish merely to use a table at which to eat the lunch they have brought, they use the west (double) door.

ATTENTION, PLEASE

This issue of The HATCHET is presented to ALL students — free of charge — by the staff. We hope you'll show your appreciation by subscribing to it for the year.

Back To School

"Back to School" is the slogan heard all over the nation at this season of the year. It means that upwards of thirty-two million students will be entering our elementary and high schools and over two million will enter our colleges and universities to secure an education for more complete living.

I want to extend a very warm welcome to all students who are entering Washington High School this fall and especially to those who are entering for the first time. Here at Washington you will have an opportunity to share in the joy that comes from active participation in the various activities of the school. For your own happiness and personal development you will be privileged to identify yourself with one or more of the various activities such as athletics, music, social, academic and non-academic organizations of our school.

During your stay here we want you, above everything else, to be happy and hope that your time in school will be most beneficial to you.

F. O. SCHOEPPPEL, Principal.

ATTENTION SENIORS!

Senior elections will be held either the first or the second week of school.

Mr. Robinson plans to get a voting machine to use for the election. The juniors will also use this machine for their elections.

Senior rings will arrive between September 15th and 20th. The balance will be due to the senior sponsor at that time. If the rings are not picked up then, the deposit will be lost and the rings returned.

Summer Snooping

Not that we're nose-y, just interested, in what the students and teachers did this summer, so if you're nose-y (oops, excuse me, interested) too, why not read this list?

Let's start with four of our famous athletic coaches; Mr. Wegner, Mr. Byers, and Mr. Redling. They all spent the summer as park directors. Our other famous athletic coach, Mr. Pilarski, felt ambitious and finished his master's degree at Indiana U.

Caroline Guzowski had a unique job. She was a receptionist at "Simmonds Beauty Salon." Bob Saltzgaber was an usher at the Avon. Danny Buczynski and Steve Horvath held the same job at the Palace. Jerom Lekarczyk worked at Kolupa's Drug Store, while Bob Cichocki worked at the Kaley Drug Store. Nancy Badowski took an interesting trip to Florida. No need to say that we all envy her.

Leonard Deranek, Shirley Gwynn, Betty Tschida, and Pat Abraham all worked at Notre Dame. Miss Fortin spent a comfortable summer at Indian Lake. Mary Ann Bogunia, Lorraine Wachowiak, and Jeanne Nagy did nothing—just stayed home. (What a life, eh, girls?) Bob DeCook worked at Studebaker's. The bakery business was certainly well employed. Delphine Cwidak worked at the Flavorite Bake shop, Rita Gorney worked at Bob's Bakery, and Barbara Czarnecki worked at Cooperman's Bakery. (No need to ask these girls where they gained all their weight.)

Betty Walorski was really a busy girl. She attended Girl's State at Bloomington, was a counselor at Lake Wawasee for two weeks, and spent a week visiting relatives in Detroit. Miss Martindale spent two weeks at Mackinac Island and traveled through Port Huron, Canada. Christine Piekarski had a part time job at Burke's Department Store. (The other time was spent with Subby. Dorothy Kusz worked at a dry cleaning store. Floyd Smith and Joe Radecki spent the summer working at the A&P. Colette Berndt spent two weeks at the lake. (She has a tan to prove it.)

Richard Grontkowski really took a trip. He visited Niagara Falls and went through New York and Canada. Joan Jaroszewski operated her own Custard stand. Mr. Covert drove Studebaker trucks. He drove so far that he visited New Mexico and Arizona. His motto was, "Drive a Studebaker and see the world." (Just kidding, Mr. Covert.)

Lorraine Walczak worked at Danny's Ice Cream Parlor. Art Wawrzyniak spent the summer working at the Black Kat. Carol Trzaskowski worked at Kresge's while Irene Arelt and Mary Ann Grzesk punched the time clock at Grant's. Richard Kruk worked

at Langner's Grocery Store. Our Editor, Pat Kus, took a bike hike with the Y-Teens and visited Dunes State Park. She also attended a Y-Teens State conference. Annie Szuscits and Frances Pesci had part time baby-sitting jobs.

Pat Theodorff worked at Casimer's Super Market while Harry Ganser worked at Gruber's Fruit Market. Mary Guzowski actually worked for two and one-half days at Green's 5 and 10 cent store.

Florence Kurpiewski, Mary Ann Szczechowski, and Joan Jackowiak bummed all summer. Pat Lekarczyk has modeled in Worth's teenage department throughout the summer, while Jeanette Gorczyca represents Washington on Robertson's fashion board and modeled in their Back-To-School Fashion Show.

Last, but not least, our principal, Mr. Schoeppel, painted his home and visited Glen Arbor, Michigan. Now, wasn't that interesting? It certainly was fun to see what everyone did, don't you agree?

SCHOOL BAND GETS NEW DIRECTOR

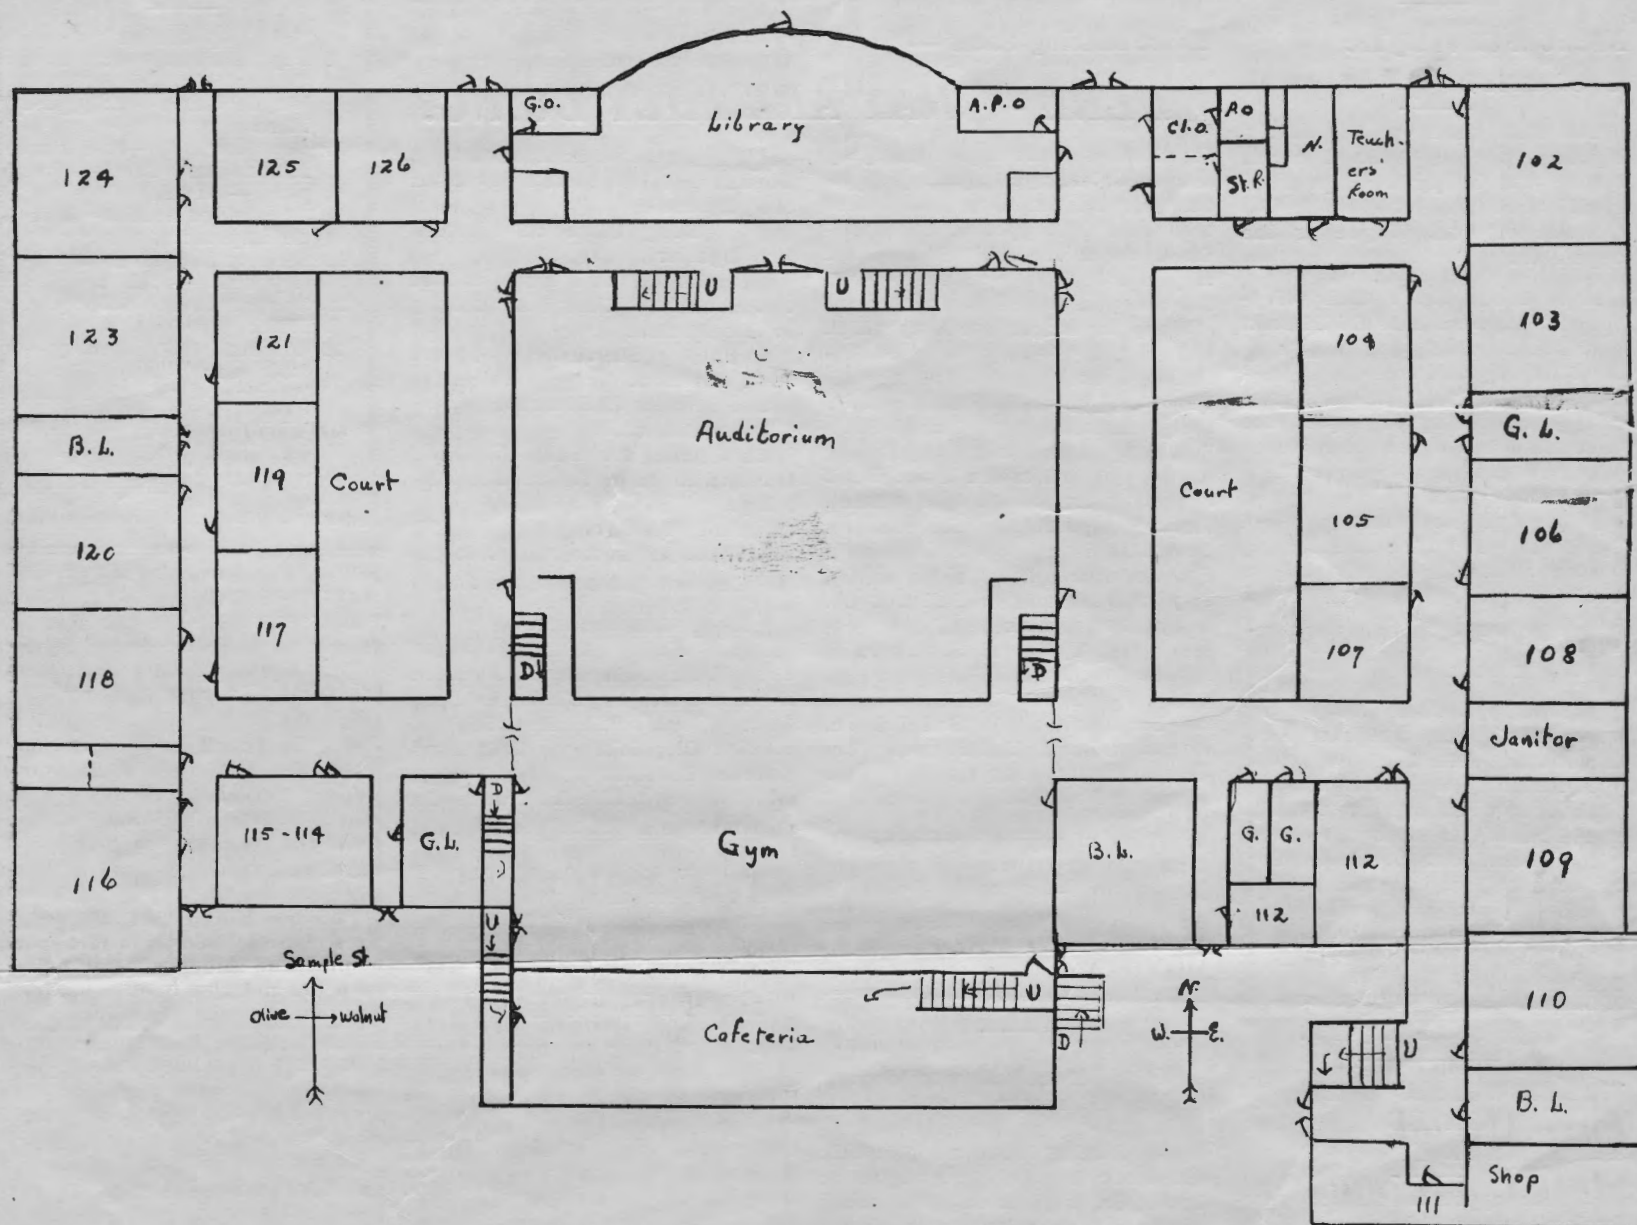

Mr. George Keith Gnagy will be the new director of the Washington High School Band this year. Mr. Myers, the former band director, is now attending a teacher's state college in Kansas. He is taking a woodworking course.

Mr. Gnagy graduated from Indiana University in 1941. He was in the Marine Corps for two and one-half years; taught at LaPaz High School. Under his directorship, the LaPaz band won several state honors, including a first in marching.

He has played with Bob Crosby's orchestra (clarinet and saxophone) and was the first saxophone soloist to be featured with the Indiana University Concert Band.

His comment when asked about the band: "The band is small but WILL be a good one."

PANTHERS ON PROWL TOMORROW!

Meet Ft. Wayne C.C. Here

The first game of the Washington Panthers 1950 Football Season will be played September 8, at School Field with Central Catholic of Fort Wayne as the opposition.

Head Coach, Ervin "Sam" Wegner and his assistants Ed Pilarski and Joe Redling were happy to see four regulars, ten letter-winners, and many of the boys from last year's B squad report for practice. Three of the seven Woodrow Wilson boys who reported for practices are still going strong. Albert Cashaw and Spandward Mitchem are looking very good in practice according to Coach Wegner. The third of trio from Woodrow Wilson is Henry Franklin, a sophomore who plays right half back.

According to Coach Wegner, the first string will have Dan Kruzewski and Bill Gilkey at ends; Joe Radecki and Capt. Jerry Malicki at tackles; Nandor Vargo and Don Lukasiewicz at guards; Melvin Lesniewicz at center; Earl Miller and Richard Grontkowski alternating at quarterback; Willie Robertson and Benny Wilkins at half backs; and John Easton at fullback. All the players are seniors with the exception of Nandor Vargo, who is a junior.

YEARBOOK PICTURES TO BE STARTED SEPTEMBER 13

Senior appointments for yearbook pictures will be scheduled for September 13, 14, 15, 18, 19, and 20. Pictures will be taken between 4:00 p.m. and 6:00 p.m. and 7:00 p.m. and 9:00 p.m. each day. Students who are working and members of the football squad will be given preference for the 7:00 - 9:00 appointments.

A yearbook representative will arrange the appointments tomorrow and on Monday and Tuesday. Seniors are asked to watch the bulletin board for further instructions on how to make an appointment.

WHERE - WHAT ARE THEY DOING?

Remember those high and mighty seniors of last year, who prowled the corridors in twos and threes and fours or supported the corridor walls in droves? Where are they now? We wondered — we thought you would wonder too.

Football's Frontline Facts

About a week ago, as the opening date of school was coming nearer and nearer, the topic of football really came into the limelight. Having heard a lot of talk about our team in the newspapers, by radio, and from just about everyone you talked to, a couple of girls on the HATCHET Staff wondered what the coaches would have to say concerning our team, our chances, and so forth. We waited for them (the coaches, of course) in the back corridor and nabbed them as they went by. This, our fellow students, is what they had to say:

Mr. Wegner: "The boys look good and promising. Although there is a small number of boys out they are full of good spirit and it's a determined squad."

Mr. Pilarski: "I think the fellows, especially the backfield, at this stage looks a lot better than our team did last year at this time in the football season. The line looks good, but lack of reserves is our trouble. On the whole the future looks bright for the team."

Mr. Redling: "Central is the team to beat. What we have is pretty fair caliber. Our biggest worry is reserves. If we hold up without any injuries, we'll be all right."

Mr. Brady, who is a new addition to the coaching staff, felt
