

Volunteers for 2026

Two major projects for this year.

1) **Increase number of names in the database.**

Yearbooks started including pages for under classmate names in the 1950's.

These names and photos can be uploaded into the websites.

I can send you the freshmen, sophomore and junior pages as .jpeg files.

You can cut and paste an individual photo and post it to the website.

I can give you individual instruction how to do this.

2) **Increase number of registrations of classmates**

We can increase our registration membership by posting announcements to the many social media sites on the web.

Zoom sessions will begin at 8:00 PM on Thursday January 8, 2026. You will need to download the Zoom app prior to logging onto the meetings. The link will be posted on the home page of each school.
